

CONCERTONE

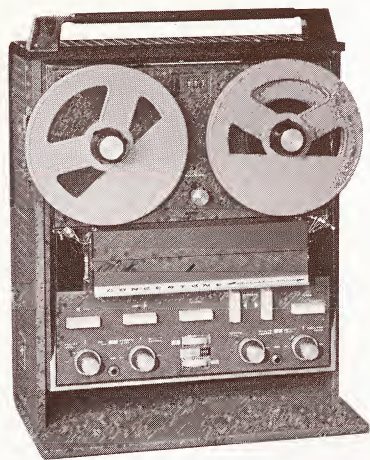

A DIVISION OF ASTRO-SCIENCE CORPORATION

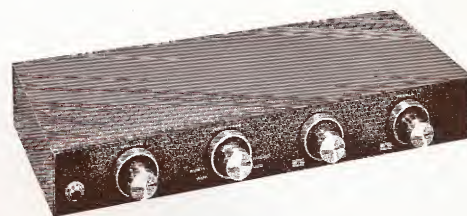

Concertone, a division of Astro-Science Corporation, takes pleasure in presenting the industry's newest and most exciting concepts in professional and home entertainment and companion audio equipment. The Concertone with 3 + 3 Reverse-O-Matic® is the world's first and only fully automatic reversing stereo play and record system.

Reverse-O-Matic®, a Concertone innovation has the exclusive 3 + 3 head system to provide independent erase, record, play and monitoring in both directions. Its foolproof programming reverses precisely where you want it, when you want it, during recording as well as playback.

THE CONCERTONE 800 SERIES

Model 803: Professional Portable Tape Recorder complete with 3 + 3 Reverse-O-Matic, Monitor Amplifiers and Speakers.
